◆ Programme Outline ◆

Business Exhibition

From 19-21 March visit the EU companies in their booth, discover their cutting-edge medical technologies and have dedicated business meetings (interpretation services are provided).

Networking Reception

At the Business Networking Reception on the afternoon of 19 March, you will have the opportunity to network and meet with European companies.

KIMES 2025

On 20 March, the EU companies will visit KIMES 2025. Visit our website to see who is coming, express your interest to meet and invite them to your exhibition booth.

What is the EU Business Hub?

The EU Business Hub is an EU-funded programme that supports EU SMEs and start-ups in Digital Solutions, Healthcare and Medical Equipment, and Green and Low-carbon Technologies sectors to establish successful business partnerships with Korean companies. Expand your global collaboration opportunities by joining this programme from 2024 to 2027.
